Let the Games Begin!

Arrangements are being made for both basketball and volleyball tournaments that will allow participation by all who are interested. One of the more popular games at many of our summer youth camps is speedway. Depending on interest, this is an option for us as well!

Additional Day and Evening Activities

Exciting events being planned this year include pool parties, a pizza night, multiple dances and pre-teen activities (possibly one at Chuck-E-Cheese!). In addition, there is the possibility of a trip to the science museum, ten-pin bowling, and/or a family fun fair that includes carnival games, mini-golf, wall climbing, sumo suits, novelty olympics and karaoke!

Sabbath Schedule

Sabbath activities will be held at the Clarion Hotel, and will begin Friday evening with a plethora of seminars and Bible study choices for all ages! These will continue again the next morning, followed by a break for lunch, before an inspiring afternoon Sabbath service.

Saturday Night

After the Sabbath concludes there will be multiple, exciting options at the Clarion Hotel—offering both learning opportunities and fun! One of the most popular activities is of course the teen dance, plus a separate young adult dance—to finish off the night into the morning hours!
